PROVIDER HOT SHEET

⇒ **Infoshare:** Wednesday, December 12, 2012, 9:00-11:00 a.m. “**Demystifying the Supports Intensity Scale**” (SIS). Covenant Presbyterian Church, 1000 East Morehead St.

This presentation will provide information about the Supports Intensity Scale. This presentation is targeted for agency staff and QPs that will be responsible for writing Short Range Goals and Task Analysis for NC Innovations Consumers including: an explanation of core components of the interview tool, how the interviews are conducted and how the results obtained from the interview process are used to drive planning for the Individual Support Plan preparation process.

Additional information to be included in the presentation:

- background information on the development of the SIS tool
- selection for use in the Innovations Waiver process
- training, vetting and supervision of interviewers
- selection of the AAIDD/DDTI sample group
- selection of respondents for the interview
- process of reporting results
- outcomes expected from the use of the tool

Time will be set aside for questions from the group. If you would like to send questions prior to the meeting, please send them to: Beverly.Nagy@mecklenburgcountync.org

⇒ **Revisions to the MeckLINK Behavioral Healthcare Criminal Background Check Release Form for Medversant:** Based on feedback from the Executive Board of the Provider Counsel and several providers, the MeckLINK Behavioral Healthcare Criminal Background Check Release form for the Medversant credentials verification process has been revised. The language that providers were objecting to has been removed and the following items have been added:

- The information obtained by Medversant and MeckLINK Behavioral Healthcare from Argus Search, Inc. and/or any of their agents shall not be re-disclosed to any other party except as may be required by Federal Law, North Carolina General Statute, or North Carolina Division of Medical Assistance’s Contract with MeckLINK Behavioral Healthcare.
- I acknowledge that I have the right to revoke this Release Agreement at any time by sending written notification to Medversant. I understand that my revocation will be effective from the date it is received by Medversant. I further acknowledge that revocation of this release may prevent Medversant from completing required background and other required checks for MeckLINK Behavioral Healthcare’s credentialing process including required ongoing monitoring of sanctions and this may affect my credentialed status within MeckLINK Behavioral Healthcare’s provider network.
- This agreement shall terminate upon completion of the scope of work for credentialing and/or recredentialing the associated provider and/or practitioner.

⇒ **MeckLINK Service Management** requires that clinical justification is provided for all services requested including services that are auto authorized. Please make sure that the Presenting Problem section of the SAR is completed prior to submitting the request. SARs without completed presenting problems will be returned to the provider as an incomplete request.

MeckLINK Behavioral Healthcare
PROVIDER HOT SHEET
November 26, 2012

- ⇒ **The Secretary of DHHS has prohibited the use of prone or face-down restrictive interventions.** This prohibition of prone or face-down restraints includes both state facilities and community services. As of November 13, 2012 Secretary Delia has issued an immediate modification to the North Carolina Interventions (NCI) curriculum and program that updates any technique to eliminate the portion of the program where a person ends up in a prone or face down position. The Division of Mental Health, Developmental Disabilities and Substance Abuse Services (DMH/DD/SAS) staff will work with the NCI Quality Assurance Committee to implement this change as well as arrange and conduct training as appropriate. This modification also applies to all DMH/DD/SAS approved crisis intervention programs.
- ⇒ MeckLINK Behavioral Healthcare has invited the NC Council of Community Programs to bring the **Locus and Calocus Train the Trainer** to Charlotte. This Train the Trainer course will allow you to be a certified Deerfield Behavioral Health Locus/Calocus Trainer. This is a train the trainer event and agencies only need to send one person who in turn would be certified to train all relevant staff within their agency. It will be held December 3-4, from 9:00 a.m.-4:00 p.m. There are 10 CE credits available for APA, NBCC, and ASWB. See attached flyer.
- ⇒ **AlphaMCS On-line training:** Each staff member who will use the system will have to go through the training and complete the form at the end of the training in order to supply us with the appropriate data. This on-line training is also required for those individuals who attend the overview sessions. Our on-line training consists of videos and includes a quiz type section. At the end of the video, each staff member needing a login ID will be required to fill out personal information and to supply his/her security officer's name for verification purposes. Videos and manuals are be posted to the For Providers' web site, which you can find here: [For Providers: Training](#)
- ⇒ **Supports Intensity Scale:** NC's Department of Health and Human Services is improving its service delivery system for people with intellectual and developmental disabilities in order to:
- Create a more equitable system
 - Use resources more effectively and efficiently
 - Make sure people get the right supports for their needs

The first step of this process is to use an objective assessment called the Supports Intensity Scale (SIS) to find out about the support needs of people with I/DD participating in the NC Innovations Waiver. These assessments will occur over the next year for people on the Innovations Waiver or on the Registry of Unmet Needs.

MeckLINK, along with the Developmental Disabilities Training Institute (DDTI), began the SIS assessment process in late October. Interviews will be scheduled by DDTI staff and MeckLINK Behavioral Healthcare's Care Coordination Division.

The support of the provider network and existing TCM's is pivotal in the success of this roll out as we go through the transition process and move forward with the Innovations Waiver. Please encourage the people that you and your agency support to participate actively in the process with MeckLINK Behavioral Healthcare and DDTI staff.

If you have any questions, please contact Bev Nagy, SIS Supervisor, at 704-432-2397 or 704-572-7913.

⇒ The LME is in the process of holding **public information sessions** that address services for mental health, intellectual and developmental disabilities and substance abuse under the Medicaid waiver. It is an opportunity for consumers and families to get correct information about the changes involving targeted case managements, care coordination, and Innovations. They will also have the opportunity to ask questions and get answers at each session. So far, the sessions have been well attended and there has been positive feedback from those that have attended saying that they are feeling much better after attending and have appreciated the straightforward presentations and questions being answered directly. The schedule for the remaining sessions is below.

Thursday December 6, 2012	Mecklenburg County DSS – Room A/B 301 Billingsley Rd. Charlotte, NC 28211	6:30 pm	Focus: IDD - Spanish
Thursday December 20, 2012	Mecklenburg County DSS – Room A/B 301 Billingsley Rd. Charlotte, NC 28211	6:30 pm	Focus: MH/SA - Spanish

MeckLINK on the Move – New employees at Provider Relations and Network Development

- ⇒ Adrienne Lewis began her employment as a Provider Relations Specialist on October 31, 2012. Adrienne was previously employed as the Southern Regional Director, with The Child Welfare League of America working directly with providers in child and family services. Adrienne has over 10 years' experience working directly with provider agencies. Adrienne can be reached at 704-432-3937.
- ⇒ Angela Scott began her employment as a Provider Relations Specialist on November 14, 2012. Angela has worked in both AMH and DSS for more than 18 years in several capacities from case management, protective services (child & adult) and supervision of staff in I/DD as well as dually diagnosed. Angela can be reached at 704-353-0235.
- ⇒ Marla Satterfield began her employment as a Provider Relations Specialist on November 14, 2012. Marla previously worked with the NC Center of Excellence for Integrated Care as the Pediatric Program Manager. Marla is a Licensed Professional Counselor and she has worked in the healthcare field in various positions for over 10 years.
- ⇒ Nakia Alexander began her employment as a Credentialing Coordinator on November 14, 2012. She was a Managed Care Provider Services Specialist for Carolinas Healthcare System. During her 2 ½ year tenure at Carolinas Healthcare System, Nakia played an intricate part in provider relations and implementation of credentialing plans and delegated contracts. Nakia has an extensive background in process improvement, innovation, and project management. Nakia can be reached at 704-353-1764.
- ⇒ Rosalind Barksdale began her employment as a Provider Relations Specialist on October 31, 2012. She transferred from Mecklenburg DSS. Rosalind is a former MeckLINK Behavioral Healthcare employee who has been working at Mecklenburg DSS as a Fiscal Support Assistant III. Rosalind has worked for Mecklenburg County for over 14 years.

⇒ Your single point of contact for all suggestions, input, feedback, questions and concerns regarding the Hot Sheet should be directed to Chuck Hill, LME Director of Provider Relations and Network Development at Charles.Hill@MecklenburgCountync.gov . Presents

LOCUS/CALOCUS Train the Trainer

December 3 - 4, 2012

Dr. Carlton Watkins Center
 3500 Ellington Street
 Charlotte NC, 28211

9:00 a.m. - 4:00 p.m.

There are 10 CE credits available for APA, NBCC & ASWB

This two-day training program prepares MCOs and providers to use the required level of care instruments - the LOCUS for adults and the CALOCUS for children and adolescents. The training includes an overview of the instruments, instructions on how to complete them, and case study practice to establish inter-rater reliability in using the instruments to determine an appropriate level of care.

Cost - \$350

Register by November 16th and receive an "Early Bird" discount of 15%. Registration is first come, first serve. Registration is open till 11/28/12 or until training is full.

For more information contact Laura Ring at (919) 327-1520 or email laura@nc-council.org.

Who Should Attend?

The training is relevant for staff involved in care coordination, or other functions for which knowledge about level of care instruments is important. This training is also appropriate for providers who will be using or interpreting the tool for Utilization Management Purposes. **This is a Train-the-Trainer class** so participants will learn how to train others within their organization.

What Will I Learn?

On the first day of the training participants learn about the LOCUS and how to appropriately use it. Participants also get "hands on" case study application of the tool to establish inter-rater reliability. In the afternoon participants will learn how to teach this content to providers within their local communities. On the second day of the training the same format will be applied to teach the CALOCUS.

Faculty

Elizabeth Burgess, Training Coordinator for Western Highlands

Elizabeth is a highly skilled trainer and LCSW. She has been trained in the LOCUS and CALOCUS by Deerfield Behavioral Health Network and completed the Deerfield train-the-trainer program. She has trained numerous professionals within Western Highlands MCO and its provider system. She provides an added benefit of having real life experience using these instruments in NC's MCO environment.

WHERE: Dr. Carlton Watkins Center, 3500 Ellington Street, Charlotte NC, 28211

LOCUS/CALOCUS Train the Trainer
