

Transportation Staff Meeting

October 2, 2013
2:00 PM
Room 601, CMGC

AGENDA

1. **Fiscally-Constrained Project List**

a. **Public Comments Review & Discussion** (Landa)

Description:

The MPO released the draft project list for public comment at its September 18 meeting. Three public meetings were held at the end of September, and the official comment period ends on Friday, October 4. A few comments have been received, which will be discussed. It is anticipated that the TCC will be asked to recommend that the MPO approve the project list at its October meeting.

b. **STP-DA Allocation** (Steinman)

Description:

The MPO's action releasing the draft project list for public review included a condition requiring that STP-DA funds be allocated to individual projects.

2. **SPOT Prioritization 3.0 Process** (Landa)

Description:

As part of the new transportation legislation that was passed in the summer, there are several tasks required of MPOs in order to submit projects to be evaluated for consideration in the next TIP. The tasks and timeline will be outlined in order to determine a strategy for completing each task by the required deadline.

3. **TCC Bylaws** (Cook)

Description:

Update on TCC bylaws changes.
