

Transportation Staff Meeting

November 6, 2013
2:00 PM
CMGC-601

AGENDA

1. **Prioritization 3.0 Update** (Landa)

Description: Several tasks related to the P3.0 process are currently underway. Committees were established and endorsed by the TCC to accomplish the various tasks. An update on the following items will be presented:

- P3.0 highway project recommendations
- P3.0 local input point methodology update
- Other modes update (if time permits)
- Outstanding tasks and deadlines reviewed

Staff feedback will be requested prior to the November 7 TCC meeting.

2. **November TCC Agenda Preview** (Landa)

Description: The November TCC meeting is scheduled for Thursday, November 7. Agenda items will be reviewed and discussed.

Phone Access Number: 704-432-5485
