

Transportation Staff Meeting

May 7, 2014
2:00 PM
CMGC-Room 601

AGENDA

1. Proposed TIP Amendment: U-5108, Northcross Drive Extension (Grant)

Description:

Status update on Cornelius' locally-administered project.

2. NC Transportation Network Strategic Transportation Corridors (Cook)

Description:

NCDOT is working to identify a network of Strategic Transportation Corridors that serve high-level economic development and travel needs. The identified corridors will be divided into statewide and regional significance categories. Meetings on this subject are now being held across the state, the closest of which will be held in Kannapolis on May 12 at 1:30 PM at the Kannapolis Train Station.

The purpose of this agenda item is to learn more about the initiative and prepare questions and comments in advance of the May 12 meeting.
