Housing Choice Voucher Participant Wins National Scholarship

CHA would like to congratulate Mr. Javari L. Parks for being awarded the 2013 Stephen J. Bollinger Scholarship awarded by the Public Housing Authority Directors Association (PHADA). The \$7,000 scholarship is awarded annually to one student who embodies the leadership characteristics of the organization's founder, Stephen J. Bollinger.

Jarvari is a senior at Phillip O. Berry Academy of Technology who embodies a true philanthropic spirit. He consistently gives back to his community as a volunteer at Operation Hungry Child, Lupus Foundation, Young Black Male Leadership Alliance, and through mentoring younger students at the Male Leadership Academy.

In school, Javari shines both on and off the field. He is a member of the National Honor Society, National Beta Club, a participant in the Science Olympiad and a member of the football team. In addition to his community service and scholastic activities, Javaris is also a seasonal employee at Emerald Lakes Golf Course. Through all of these activities, Javari has consistently maintained a 3.96 grade point average.

Javari plans to attend Hampton University and hopes to become a physician at a research laboratory clinic.

Javari and his mother will travel to San Antonio, Texas to attend the annual Bollinger Scholarship Luncheon in May, where he will officially accept both the Bollinger Scholarship and PHADA's Freedom and Civil Rights Scholarship (\$5,000).

Resident Advisory Council Report

Tuesday May 21, 2013

The Resident Advisory Council, Center for Employment Services, CHA Client Services Department and Grace Mar Services offered customer service to the residents on April 29-May 2, 2013. The assessment test was given on Friday, May 3, 2013. On a good note we had 11 of the 13 to pass and those individuals will receive their certifications from DC. Those who did not will still be given every opportunity to the pursue employment opportunities that we have.

Each individual has expressed which employment opportunity that they would like to pursue so now we will set up a time for the individual to come in and take the assessment for that employer to let Grace Mar know if they are ready to interview with that employer or if they need additional training. If the individual is ready Grace Mar will arrange for them to complete the job application and Grace Mar will arrange an interview with the company. If they are not ready Grace Mar will come back to the committee with assessments scores and their recommendations for additional training. (i.e. computer, reading comprehension, general office, interviewing skills, etc...)

We are planning to resume our next class after June 4, 2013. We will have another interest meeting to find out what the interests of the prospective residents and to get them geared in the right direction. The RAC is very excited about the success of this training, and we look forward to offering this course throughout the year.

The Strawn election will be held on Tuesday, May 21, 2013 at 4:30 pm, and the Parktown election will be held on Tuesday, June 4, 2013 at 4:30 pm.

B. Authorize a Grant from CHA to Horizon Development Properties up to \$487,669 for Affordable Housing Activities Including but not Limited to Hall House.

Staff Resource: Twyla Taylor, Jeff Meadows, Heather Franklin

Strategic Business: Real Estate, Finance and Administration

Strategic Goal: Maximize Economic, Social, and Physical Value of Real Estate;

Ensure the Authority's Long-Term Financial Viability

Background/Policy Framework:

In August 2012, staff presented the future use of Hall House to the Board and received authorization to move forward with the planning process for the recommended option. The Board also authorized staff to procure the services of a Developer Partner which was subsequently approved in November 2012. The Community Builders, Inc. (TCB) was selected and staff is in the process of developing and executing the Master Development Agreement. During the interim, TCB and Horizon Development Properties, Inc. prepared and submitted a Preliminary Tax Credit Application to the North Carolina Housing Finance Agency and a Housing Trust Fund Application to the City of Charlotte to obtain funding for the renovation of this historic property. In April 2013, the City Council awarded a commitment of \$1M in Housing Trust Funds.

Explanation:

TCB and Horizon Development Properties, Inc. are currently preparing a final application for submission to the NCHFA by the May 17, 2013 deadline. This agenda item involves requests for authorization to enter into, execute and deliver all documents necessary for the financing, development and operation of Hall House and provision of a grant from CHA to Horizon Development Properties, Inc. for affordable housing purposes including but not limited to Hall House. The proposed mixed-income project consists of 171 residential units comprised of 82 Section 9 units; 69 tax credit units serving 60% AMI and below and 20 market rate units. Plans also include a proposal for 10,000+/- sf of commercial/mixed-use space as well as resident amenities including a multi-purpose room, fitness center and movie room.

In pursuit of this project, staff is requesting a grant up to \$487,669 to Horizon Development Properties, Inc. to be used for affordable housing purposes. The grant is being provided to spend up to \$487,669 which represents 70% of the total predevelopment cost of \$696,671. The remaining 30% (\$209,001) will be covered by TCB, Inc. In light of the anticipated NCHFA awards announcement in August 2013, the expenditures will be split into two categories; Pre Award and Post Award as indicated in the table below:

	CHA (70%)	TCB (30%)	Total
Pre-Award	\$ 98,545	\$ 42,233	\$140,778

The Pre Award expenditures are at risk if the project is not awarded tax credits. However, the Post Award funds will not be expended if credits are not received. If the project is awarded tax credits the Post Award expenditures are only at risk if the project does not close. Should TCB and Horizon Development Properties, Inc. be successful in receiving the requested federal, state and historic tax credits, as well as Housing Trust Funds, the pre-development funds will be repaid to Horizon Development Properties, Inc. at closing to be used for affordable housing activities including but not limited to Hall House.

8.B 2013 Choice Neighborhoods Planning Coordinator

Action: Authorize CHA to Hire The Boulevard Group as the

Planning Coordinator for the Tarlton Hills Choice

Neighborhood Grant

Staff Resource: Twyla Taylor/Gainor Eisenlohr

Strategic Business: Real Estate Development

Strategic Goal: Maximize economic, physical, and social value of CHA real estate

portfolio.

Background/Policy Framework:

On March 25, 2013 HUD posted the Notice of Funding Availability (NOFA) for the FY2013 Choice Neighborhoods Planning Grants which provides up to \$500,000 to Public Housing Authorities to support the development of a comprehensive Neighborhood Transformation Plan. Applications for the Planning Grant are due May 28, 2013.

In April 2013 the Board authorized staff to award a contract for planning grant preparation services to The Boulevard Group in the amount of \$60,650 and to submit a 2013 HUD Choice Neighborhood Planning Grant Application to HUD. The Neighborhood Transformation Plan is a comprehensive neighborhood revitalization strategy that when implemented will achieve the three core goals of Choice Neighborhoods comprised of Housing, People and Neighborhoods. The planning grant will provide the funds necessary to develop a Neighborhood Transformation Plan.

Explanation:

In order to receive the maximum points in the Capacity category the NOFA recommends hiring a Planning Coordinator with the capacity to effectively develop a vision and strategy for a comprehensive Neighborhood Transformation Plan. While CHA has extensive knowledge and experience developing and implementing HOPE VI Grants, the Choice Neighborhood Grant must encompass the surrounding neighborhood and not just the footprint of the targeted public housing community.

The Boulevard Group meets and exceeds this requirement as their experience includes developing a Choice Neighborhood Planning Grant in 2010 that received the highest scoring in the US. Their team boasts extensive experience in working with HUD, PHA's and local governments.

The Planning Coordinator's capacity will only be evaluated if the application includes documentation that demonstrates either a binding contractual agreement is in place or the CHA has selected the Planning Coordinator and will enter into a binding contractual agreement. With that in mind, staff is requesting to hire The Boulevard Group as the Planning Coordinator and to include a selection letter as part of the attachments in the

Choice Neighborhood Grant Application. The fee for providing this service is \$219,905 however if CHA is successful in receiving an award, the Planning Coordinator's fee is an allowable expense and will be paid through the grant.

Committee Discussion:

This item was discussed at the May 9, 2013 Real Estate Committee meeting and unanimously approved for the May 21, 2013 Board of Commissioner meeting Consent Agenda.

MWBE/Section 3:

The Boulevard Group is an M/WBE firm. Qualified M/WBE and Section 3 firms will be notified of subcontracting opportunities and invited to submit proposals. At this time, The Boulevard Group does not anticipate any new hires for the project but if employment and training opportunities occur, they are committed to making every effort to comply with Section 3.

Funding:

CHA has placed funding in the FY13 budget to apply for the Choice Neighborhood Planning Grant and will approach other stakeholders for commitments to maximize our leveraging capacity.

8.D Disparity Study Acceptance and Approval for 2007-2012

Action: Approve a Resolution to accept and approve the

Disparity Study for the period April 1, 2007 to

March 31, 2012.

Staff Resource: Heather Franklin / Steve Lamphere

Strategic Business: Finance and Administration

Strategic Goal: Ensure the Authority's long-term financial viability.

Background/Policy Framework:

In June 2010, staff was prepared to submit a revision of the 1993 Minority and Womenowned Business Enterprises (MWBE) policy. However, due to changes in the law, and at the recommendation of legal counsel, in order to create an enforceable MWBE policy, a complete disparity study would need to be conducted. The current study in use was completed in 1982 and was conducted by the Urban Institute of the University of North Carolina at Charlotte. The study will provide evidence, in accordance with current law, and to what extent programs for racial or gender discrimination are appropriate.

Explanation:

Staff requests approval and acceptance of the completed Disparity Study submitted by MGT of America, Inc. The results of the study and recommendations by MGT America, Inc. will enable staff to create an enforceable MWBE policy for the agency.

Committee Discussion:

Staff Resource: Twyla Taylor, Jeff Meadows, Heather Franklin

Strategic Business: Real Estate, Finance and Administration

Strategic Goal: Maximize Economic, Social, and Physical Value of Real Estate:

Ensure the Authority's Long-Term Financial Viability

Background/Policy Framework:

In August 2012, staff presented the future use of Hall House to the Board and received authorization to move forward with the planning process for the recommended option. The Board also authorized staff to procure the services of a Developer Partner which was subsequently approved in November 2012. The Community Builders, Inc. (TCB) was selected and staff is in the process of developing and executing the Master Development Agreement. During the interim, TCB and HDP prepared and submitted a Preliminary Tax Credit Application to the North Carolina Housing Finance Agency and a Housing Trust Fund Application to the City of Charlotte to obtain funding for the renovation of this historic property. In April 2013, the City Council awarded a commitment of \$1M in Housing Trust Funds.

Explanation:

TCB and HDP are currently preparing a final application for submission to the NCHFA by the May 17, 2013 deadline. This agenda item involves requests for authorization to enter into, execute and deliver all documents necessary for the financing, development and operation of Hall House, approval of the pre-development budget and acceptance of a grant from CHA for affordable housing purposes including but not limited to Hall House. The proposed mixed-income project consists of 171 residential units comprised of 82 Section 9 units; 69 tax credit units serving 60% AMI and below and 20 market rate units. Plans also include a proposal for 10,000+/- sf of commercial/mixed-use space as well as resident amenities including a multi-purpose room, fitness center and movie room.

In pursuit of this project, staff is requesting to spend up to \$487,669 which represents 70% of the total pre-development cost of \$696,671. The remaining 30% (\$209,001) will be covered by TCB, Inc. In light of the anticipated NCHFA awards announcement in August 2013, the expenditures will be split into two categories; Pre Award and Post Award as indicated in the table below:

The Pre Award expenditures are at risk if the project is not awarded tax credits. However, the Post Award funds will not be expended if credits are not received. If the project is awarded tax credits the Post Award expenditures are only at risk if the project does not close. Should TCB and HDP be successful in receiving the requested federal, state and historic tax credits, as well as Housing Trust Funds, the pre-development funds will be repaid to HDP at closing to be used for affordable housing activities including but not limited to Hall House.

Exhibit A shows revenue of \$487,669 in MTW funds and the corresponding expenditure is in Capitalized Items in the amount of \$487,669 .
