MUMPO Secretary  
**DATE:** October 31, 2011  
**SUBJECT: November TCC Meeting Agenda-Additional Item  
2012-2018 TIP Amendments**

Staff was notified on Thursday, October 27 of the need for several minor changes to the TIP. The amendments will be added to the November 3 TCC meeting agenda in order to allow the MPO to take action at its November meeting.

This issue will also be discussed at the November 2 Transportation Staff meeting. Van Argabright of NCDOT's Program Development Branch will participate by phone.

The list below provides an overview of the amendment requests; details can be found attached to this memorandum.

1. Three bridge projects are delayed.
2. One bridge project is being deleted from the TIP because it does not qualify for Federal funds; however, the project will proceed with State funds.
3. One bikeway project is delayed.
4. Two CMAQ projects are listed twice in the TIP; the action will remove the duplicate projects.
5. One Statewide project is being added to the TIP, and one existing Statewide project is being modified. Neither project will divert funds from existing MUMPO projects.
