

Transportation Staff Meeting

April 17, 2013
2:00 PM
Room 601

AGENDA

1. Funding Assumptions for the 2040 LRTP (Grzymiski)

Description:

As part of the development of financially-constrained LRTP, certain assumptions need to be made regarding future revenues. Staff will present the preliminary assumptions and receive input.

2. MOU Issues Update (Cook)

Description:

An update will be provided on the responses to the request for information from jurisdictions in the MPO's planning area (current and future) on the two local match sharing options presented at the March MOU Subcommittee meeting.

3. CTP-Grade Separations (Panicker)

Description:

Discussion of "needs improvement" category for grade separations and interchanges.

Access Number: 704-432-5485
